WELCOME TO EL DJAZAIRI

El Djazairi is a family-run Algerian restaurant with long-standing experience in traditional cuisine and pastry. Located in Mecca, our goal is to bring you the authentic flavors of Algeria through an exclusive delivery service — with no dine-in option.

We are fully dedicated to delivering our delicious homemade meals to satisfy Hajj and Umrah pilgrims, as well as locals wishing to rediscover the richness of Algerian cuisine. Our homemade dishes and pastries, carefully prepared with high-quality ingredients, reflect the soul and hospitality of our country.

Our delicacies (oriental pastries, chocolate-coated stuffed dates) and natural products (honeys, oils, peanut butters...) are rigorously selected for their authenticity and purity. Each product reflects our commitment to offering the very best of Algerian tradition — with sincerity and refinement.
